Announces formation of North Star Mod Lite Series

ElectricTaz Racing is excited to announce the return of Mod Lite racing to Minnesota with the formation of a new group called North Star Mod Lite Series. The purpose of the series is to bring back Mod Lite racing to Minnesota utilizing a spec design to provide a highly competitive and budget friendly racing series.

- Series promoting Welterweight racing featuring the American Modlite Spec Car
- Focus Areas: Minnesota, Wisconsin, Eastern North & South Dakota
- Based on the American Modlite/Peter D Motorsports Modlite, Bully Truck & Classic Sedan Chassis, sealed 1000 cc Suzuki motor, and Goodyear tires.
- Chassis sold by Jeremy Anderson
- Part of the American Modlite National Series
- Able to race on Dirt tracks under ½ mile in length. Also Asphalt with modifications
- Introduce Development levels for younger generation of drivers
- Team participation in pre and post race events
- Rules determined and governed by NSMLS

During this winter we will be approaching venues to host events to gauge interest from race fans, team owners/drivers and sponsors in that area.

If you are interested in the Chassis or Series please feel free to contact
